Just a short walk from the town and local amenities, this beautifully renovated home offers bright and spacious accommodation arranged over two sizeable floors.

Benefiting from its own private entrance, the property provides a wonderful sense of privacy and feels more like a house than an apartment. The accommodation comprises a generous separate living room, filled with natural light from the numerous windows throughout the property, and a spacious modern kitchen, offering plenty of room for cooking and dining.

There are two large double bedrooms, both well-proportioned and flooded with natural light, creating comfortable and inviting living spaces. The property has been recently renovated throughout, providing a fresh and contemporary finish while retaining a welcoming feel.

A further advantage is the attic space, offering excellent additional storage.
