The Villa is a unique and beautifully presented two-bedroom house, ideally situated on the outskirts of town in St. Saviour.

Designed with an attractive upside-down layout and arranged over two floors, the home offers both practicality and modern living. The ground floor comprises an entrance hall, a convenient WC and two generous double bedrooms, both benefitting from fitted wardrobes.

Occupying the upper floor is a bright and spacious open-plan living area, complete with air conditioning and a contemporary fitted kitchen. Double doors open onto a Juliet balcony, allowing natural light to flood the space. This level also includes a utility room and a stylish house bathroom.

The living area provides direct access to a private patio offering an excellent space for relaxing, dining and entertaining.

The property also includes one allocated parking space.
