Tucked away in a peaceful setting surrounded by greenery, this delightful two-bedroom cottage offers the perfect blend of character, comfort and modern living just 10 minutes away from St. Helier whilst benefitting from a quiet location.

Set over three floors, this beautiful granite cottage is a real Jersey gem dating back to the 1600's with plenty of charm and character throughout.

The open plan kitchen/lounge provides a cosy space to cook, host and relax with original wooden floorboards and large sash windows encouraging the country charm.

Upstairs, the cottage features two well-proportioned bedrooms each with large spaces and plenty of storage. The first floor bedroom benefits from a feature granite fireplace. A house bathroom with large overhead shower and WC complete the upper floors.

Externally, a patio provides a peaceful space to enjoy the idyllic nature surroundings. A quiet walkway to Vallee Des Vaux is just across the pathway.

Two parking spaces, an ideal find in this area, complete the property.
