Nestled in the heart of the Castle Quay Development, this charming fifth-floor apartment on La Rue De L'etau offers a delightful blend of modern living and comfort. With one well-appointed bedroom and a stylish bathroom, this property is perfect for individuals or couples seeking a tranquil retreat in a vibrant location.

The open-plan living area is designed to maximise space and light, creating an inviting atmosphere for both relaxation and entertaining. The fitted wardrobes in the bedroom provide ample storage, ensuring that your living space remains tidy and organised.

One of the standout features of this apartment is the spacious balcony, which offers a wonderful outdoor space to relax. Whether you wish to sip your morning coffee or unwind with a book in the evening, this balcony is a perfect addition to your home.
