This charming one-bedroom apartment seamlessly blends modern comfort with classic elegance. This inviting space boasts high ceilings and underfloor heating, offering a cosy environment on the outskirts of town.

The property was completely renovated six years ago, and the current vendor has spent £11,000 on soundproofing it by insulating the floorboards.

It briefly comprises a fully fitted modern kitchen, shower room, spacious lounge, and double bedroom with high ceilings and large windows.

There is a large separate lock-up store.
