In a great location out of town, yet within walking distance of local amenities, this one-bedroom apartment has been newly renovated to a modern standard throughout.

The apartment briefly comprises an open-plan living room/ kitchen with integrated appliances, one double bedroom, and a bathroom with bath and shower facilities. With large windows throughout, the property is well-lit and is not short of natural light year-round.

The handy bus routes provide access to the east of the island and into town.
